

A Seminar for Professionals

Strengthening Relationships During Times of Stress

A PROTECTIVE FACTOR FOR FAMILIES WITH YOUNG CHILDREN

Robin H. Gurwitch, Ph.D.

via Zoom

9:00 A.M. - 12:00 P.M.

Thursday, April 29, 2021

Topics Include:

- *The relationship between stress, trauma, and child maltreatment*
- *Discuss recent events, including the pandemic, has increased child maltreatment risk*
- *The importance of strong relationships to improve child behaviors and reduce strain the child-adult/parent/caregiver*

Robin H. Gurwitch, Ph.D.

This presentation will discuss two programs which can improve overall child outcomes: Parent-Child Interaction Therapy (PCIT), an evidenced-based treatment for children (2-7 years) and Child Adult Relationship Enhancement (CARE), a trauma-informed skills based program designed for any adult interacting with children (2-18 years). Through a combination of didactics, discussion, and practice, participants will have new ideas to add to their tool-boxes in their work with children.
